

Consent Form Makerspace Lab at BCA

I give permission for my child _____ to work in the makerspace lab, to identify and utilize equipment, power tools, and hand tools provided in the lab and by the team. I understand that my child under the direction of the instructor must pass all safety tests with a 90% score or above and demonstrate proper operation and use of the equipment. I understand that if my son/daughter does not meet these standards, they will not be allowed to use the equipment in the lab.

I, the student, and I, the parent/guardian of the student, acknowledge I have read this agreement and agree to follow all guidelines and procedures. It is understood that neither Bergen County Academies nor the Bergen Makerspace, nor any of its officers, employees, or trustees are liable for any accident that occurs to the above named student as a result of any aspect of their participation in this course.

Student Expectations

Certain procedures and requirements must be met to insure personal safety and safety of the team. These include:

- Following all safety guidelines and procedures.
- Using and disposing of all solvents and paints in accordance with BCTS policy.
- Keeping areas clean and free of hazards.
- Using Safety goggles and appropriate personal protective equipment(PPE) at all times in the lab.
- Reporting all injuries immediately to the instructor.
- Avoiding the use of any machine not operating properly and informing the instructor immediately of the problem/

Please be aware that the rigid safety standards are required and will be followed at all times to insure personal safety and the safety of the team.

The undersigned acknowledges that their signature hereto evidences that they have read, fully understand, agree with, and consents thereof. Failure to sign and comply with this form will result in exclusion from the Solar Knight's makerspace lab activities.
